REVISED 2023 JULY-DECEMBER MEDICAL CONFERENCE CALENDAR

NOTE: This is the best information available as of June 23, 2023. It has been double- and triple-checked, but meeting dates and status (in person vs. virtual vs. hybrid) continue to change. In fact, we are updating our calendar because there have been so many changes since we released it in early May. There is a link for each meeting (in [blue](#)).

- New items/changes are highlighted in [pink](#).
- Please be cautious with hybrid meetings because sometimes they are *not fully hybrid*; there may be sessions (and even posters) not available virtually.
